

Exclusive Offer — for Pride Alumni Only

New models, new methods for new success

Continue your Pride leadership journey while getting additional support from Spear Education, so you can streamline your practice, improve patient outcomes and achieve your goals of Great Dentistry.

\$1,000/month

Practice analytics to track your real-time performance

The Spear Practice Solutions dashboard helps you visualize your practice data and monitor the metrics that matter most. The customized goal-setting and tracking tools will be generated based on the goals set in your annual plan.

(Available for Eaglesoft, Dentrax and Open Dental clients)

Pride's Annual Plan and Strategies

Set your goals using the Annual Planning Tool that helps you achieve your financial objectives.

Consulting calls

Continue to work with your trusted Pride consultant. You will have four dedicated hours annually, which will help you track your progress and receive advice on challenges and opportunity areas in your practice.

Exclusive access to Practice Solutions workshops (Additional a la carte pricing per workshop)

You and your team can join inspiring, interactive practice management workshops led by the dental industry's top educators and speakers on topics that include leadership development, shaping a comprehensive patient experience and improving how your practice manages hygiene, case presentation and growth.

Leadership summit

Join an exclusive event on Sept. 18, 2019, designed for Pride Alumni prior to the annual Spear Summit Sept. 19-21. Connect with colleagues, sharpen your leadership skills and learn from Amy Morgan and other industry experts.

Spear Online

You'll have access to Spear's award-winning educational materials, such as 1,300 CE-eligible lessons and the Patient Education platform, which includes a new tablet app that enables you to improve chairside case presentation with animated videos that help patients clearly visualize their conditions and understand treatment options.

Contact Liz Armato at liza@prideinstitute.com for more information about how you can take advantage of Spear content and resources.
